

MOTION BY SUPERVISOR KNABE

September 30, 2003

On Saturday, October 18, 2003 the El Segundo based Northrop Grumman Corporation Department of Manufacturing Engineering is planning a "Rubber Duck Race" at the Manhattan Beach Pier from 9:00 am to 4:00 pm. For more than five decades Northrop Grumman employees have donated millions of dollars in cash and gifts to numerous charitable organizations with fundraising programs for the needy in our communities. The proceeds from the event are earmarked for the Holiday Gift Giving program. The corporation is asking the County for assistance in helping their employees sponsor this event.

I, THEREFORE MOVE, THAT the Board of Supervisors direct the Director of the County Department of Beaches and Harbors to reduce the permit fee of \$150 to \$50 and that the gross receipts in the estimated amount of \$750 be waived, excluding liability insurance.
